Looking for a Safety Manager for your project?

Here at Able Safety we not only deliver complete, cost-effective safety service solutions to our customers as promised and without compromise, but we have the resources and the support to back it up. It would be our pleasure to provide you with a proposal for your next project.

We offer NYC DOB Licensed Site Safety Managers, NYC DOB Site Safety Coordinators, FDNY Construction Site Fire Safety Managers, Site Safety Representatives, Certified Safety Professionals (CSP) and Construction Health and Safety Technician (CHST).

Email us to info@ablesafety.com for a quick proposal or call us at 888.926.4727

Available Training:

40hr Site Safety Manager

The 40hr Site Safety Manager Certification Course is an in-depth study of Chapter 33 of the NYC Building Code.

This class is required for those interested in obtaining a NYC Site Safety Manager's License, NYC Site Safety Coordinators and registered Construction Superintendants.
